Please have your child wear their camp shirts on beach days. We will notify campers in advance on days we will be attending the beach. If your camper brings a backpack we recommend having the shirt in the bag on a daily basis.

SWIMMING

Campers will have the opportunity to swim at Fontana Beach throughout the week. However, parents need to be specific on their child's swim ability. Camp staff will be with their campers at all times when they are in the water and on the beach. **Campers will be given swim bands specific to their swim level ability that is listed on their site form.** In addition to the counselor staff, certified lifeguards will supervise campers during all swim activities.

Swim Levels

- SHALLOW WATER:** Swimmers can only go into the water up to their waist.
- SWIM LINE:** Swimmers can only go as deep as the swim line (white circle buoys).
- SWIM PIER:** Swimmers are allowed to swim in the deep water and jump off the swim pier.

Campers should bring a swim suit and towel regardless of weather conditions in the morning. Please don't forget to bring sunscreen. We advise application of sunscreen prior to arrival at camp. Counselors will remind campers to reapply the sunscreen during the day. Staff will not be allowed to apply sun screen to any parts of the children except for their faces (unless using spray sunscreen).

2. Written Apology

MEDICAL INFORMATION

We are naturally concerned about your child's safety. Please let the camp directors and counselors know, in writing, if your child has a special medical condition or allergy that they should be aware of.

1. Illness

If your child is ill and has a fever, we discourage their participation. If a child becomes ill during the program, a parent will be notified and asked to pick up their child. If the parent is unavailable, the emergency contacts will be called. Your child must be fever free for 24 hours before returning to the program.

In the case of contagious disease, please notify the camp directors and camp staff immediately. All parents at that site will be notified as soon as possible. Your cooperation is appreciated.

You do not need to contact us if your child is going to miss camp for the day due to illness. If they will be out for more than 3 days, please notify one of the day camp coordinators.

If your child does contract head lice, we will need verification that they have been cleared by a nurse or doctor before they can return to camp.

2. Medical Emergencies

If your child is injured and requires more than just basic first aid the following steps will be taken:

- a. Staff will call 911.
- b. The parent or guardian will be contacted.
- c. If the parent or guardian is not available, the emergency contacts listed on the site form you have provided will be contacted.
- d. The injured child will be taken by paramedics to Mercy Walworth Hospital in Williams Bay, WI.

You will be responsible for the emergency medical charges for all services rendered. Your authorization for the program staff to secure emergency medical care for your child and your commitment for payment thereof is part of your registration agreement. Recreation District employees are not permitted to transport injured parties in private automobiles. Be sure to indicate your family doctor's information and insurance information on the site form.

Insurance and Doctor information are needed in case of an emergency that results in a trip to the hospital. This way we can pass this information on to the hospital for processing.

3. Medication

If a child requires medication during camp hours, the parents should do the following:

- a. Communicate the need to the camp director for approval.
- b. Put all directions in writing on the medication form.
- c. Have the medication in original container and dosage form.
- d. It is the parent's/guardian's responsibility to notify the camp director or site supervisor with any change(s) in medication. Additional medication waivers may be required.

We reserve the right to refuse to administer medication.

EQUAL ACCESS

No eligible participant shall, on the basis of race, sex, creed, national origin or disability, be denied equal access to programs, activities, services, or benefits or be limited in exercise of any right, privilege, advantage or opportunity.

Upon registration or entry into the program, the parent/guardian will be solicited for information regarding special accommodations needed for their child/children.

REFUNDS

Big Foot Recreation District Refund Policy

We make every effort to expand class size or add classes to accommodate the demand for our programs. If we do not have room in our programs for you, we will notify you and issue a full refund. All refunds, when requested by the participant prior to the start of the program will be assessed a \$5.00 processing fee to help offset costs. Generally, there are no refunds once a program has begun. Certain cases require exceptions and will be dealt with on an individual basis.

STAFF

We employ college aged staff who are mostly recreation administration or education majors who come to us with many years of prior experience working with children. Campers are supervised by a 1:10 ratio of counselors to campers. In addition, assistant counselors may also be hired to assist with daily activities and help to supplement the staff to camper ratio. The camp director is in charge of all staff and campers at each location. The camp director is our most experienced staff member who has worked in a camp setting previously.

SUSPECTED ABUSE AND NEGLECT

In accordance with the procedure set forth by the Wisconsin Department of Justice and the Wisconsin Department of Children and Families any camp personnel having reasonable cause to believe that a child known to them in their professional capacity may be abused or neglected shall immediately report the matter to their supervisor. The proper authorities will be notified.

**BIG FOOT RECREATION DISTRICT IS NOT RESPONSIBLE
FOR LOST OR STOLEN ITEMS.**
