We’re in this Together

I’d first like to say that I hope you, your family & friends have stayed healthy (and sane) through this pandemic. It’s been challenging, and you may have experienced stress, anxiety, isolation, frustration…you name it. (I know I have.)

Of course one of the best ways to combat the weight of the outbreak is to stay active – both mentally and physically.

At the Big Foot Recreation District, we’ve worked hard to bring you the popular programs and fun new activities we’re known for, with an increased emphasis on safety. You’ll find that many of our programs have moved outside, while indoor programs are using spacious areas to promote social distancing. You’ll also find that some of our programs have an “at home” alternative.

Regardless of the activity, we will have enhanced screening in an effort to keep everyone safe and having a good time. We also ask that you do your part and wear a mask while indoors until further notice. It’s a sign of respect for your instructor, supervisor, and fellow participants (plus it’s the rule at the school).

We’re all in this together – and we will get through this as a stronger community.

Best Wishes, and I hope to see you at the next program,
Chuck

Rescheduling and Refunds due to COVID 19

We plan Fall activities in this program guide in Summer with hopes that we are able to run programs as scheduled. Many of our programs have been designed to go virtual should the need arise.

In the event a program cannot run on its scheduled date, we will attempt to reschedule it – otherwise we will issue you a refund. We anticipate potential challenges as we get back to normal and will do our best to keep you informed. Please watch our website and Facebook pages for future updates. If you have questions or concerns, please don’t hesitate to contact us.

Cleanliness

Your safety is of vital importance to us. Our staff will continue to take the utmost precautions to keep you and your family safe from contagions that could be spread.

Residents, this is your BEST chance to get into a class or program!

After this date, registration will be on a first-come first-serve basis for both Residents and Non-Residents for programs where space is still available.

Don’t wait until the last minute to register!

If there are not enough participants for a class, it will be canceled before it begins. If a class reaches its maximum, the registration will not be accepted or be put on a wait list. If registrations aren’t timely, t-shirt orders may be canceled, or not filled properly. In order to keep programs well organized for participants, all registrations must be received at least one week prior to class unless otherwise noted.

A $5.00 late fee will be charged per program for late registration.

After You’ve Registered Registration is just the first step toward participating and does not guarantee you a space in the class. However, if you do not hear from us after you submit your registration, you can assume you’re in the class. We’ll contact you if we have difficulty processing your registration for reasons such as the program is full; you have not enclosed the proper amount of payment; we can’t confirm residency; etc.

Residency: Residents are those who live in district or who pay taxes to BFHS District. (Please consult your tax bill). The recreation staff reserves the right to ask for verification of residency. Non-residents are always welcome to join our programs at the non-resident rate.
