Dear Big Foot Recreation Patron,

- We have gone through a serious time that has taken a toll on us. We have dealt with the challenges of managing our physical health, emotional stress, and financial challenges. We have commiserated with our family, friends and neighbors. We have struggled with an uncertain tomorrow. 

We are also ready to put this behind us and move on.

At the Big Foot Recreation District, we feel it is our responsibility to help you recapture your life and restart our community – safely. My staff and I have spent countless hours determining how we can offer our great programs to you this summer.

By tweaking, modifying (and in some cases – relocating) our classes while using reasonable safety guidelines set forth by county, state and federal agencies, we feel confident that our programs will be fun, enriching, and safe.

Be certain, the virus is still a threat to our community. We must still be vigilant about preventing the spread of the virus to our family and neighbors, BUT it is time to begin rebuilding our lives (and get the kids out of the house!)

Please check out the Revised Summer Program Guide for new dates and locations. You will note that many of our programs will be starting soon. Day Camp starts July 6, as well as the Fitness Center.

We realize you may have concerns about safety and cleanliness procedures for a class you may be interested in. Please don’t hesitate and contact the recreation office at 262-275-2117 or email bigfootrecreation@bigfoot.k12.wi.us

Best wishes for a great summer,
Chuck Thiesenhusen
Big Foot Recreation District Director

†Note: Each program will have its own unique set of procedures which will be shared with our patrons prior to the start of the class. For a detailed procedure list, please refer to our Virus Procedures page.

Safety for our campers (and your family) is of utmost importance to us. In order for our day camp to be as safe as possible, we are establishing new policies and procedures. We believe the campers will have a great time with these changes that will ultimately keep everyone safer.

A few of the procedures that will be at camp this summer:

- Daily health screenings of staff and campers.
- Increased Cleaning and Disinfecting Regiments.
- Campers will be assigned to small groups and will be maintained throughout a given week.
- Camp will operate primarily outdoors. In the event of inclement weather or certain activities, we will still use indoor spaces.
- Modified program activities promoting physical distancing.
- Continual reminder to campers and staff to maintain safe hygiene practices.
- Elimination of all field trips. (We know that’s a highlight, but it’s a precaution we need to take this year.)

Visit our website for detailed information on camp procedures and policies.

INSURANCE LIABILITY WAIVER

Please read this form carefully and be aware that in registering yourself or your minor child/ward for participation in the Big Foot Recreation District program(s), you will be waiving and releasing all claims for injuries you or your child/ward might sustain arising out of the program(s).

“I recognize and acknowledge that there are certain risks of physical injury to participants in programs and I agree to assume the full risk of any such injuries, damages or losses regardless of severity which I or my child/ward may sustain as a result of participating in any activities connected or associated with any such program.”

“I agree to waive and relinquish all claims I or my child/ward may have as a result of participating in the program against the Big Foot Recreation District, the Big Foot Union High School District and its officers, agents, servants and employees.”

“I do hereby fully release and discharge the Big Foot Recreation District, School District and its officers, agents, servants and employees from any and all claims resulting from injuries, damages and losses sustained by me or by my child/ward and arising out of, connected with, or in any way associated with the activities of any of the program(s).”

“I have read and fully understand the above release and waiver form.”

PHOTO POLICY…..Participants or their parents (if participant is under 18) permit the taking of photos, audio and videotapes during Recreation District activities for publication and use as the Recreation District deems necessary.

REFUNDS…..We make every effort to expand class size or add classes to accommodate the demand for our programs. If we do not have room in our programs for you, we will notify you and issue a full refund. All refunds, when requested by the participant prior to the start of the program, will be assessed a $5.00 processing fee to help offset costs. Generally, there are no refunds once a program has begun or two weeks prior to a bus trip. Certain cases require exceptions and will be dealt with on an individual basis.
