

BIG FOOT WRESTLING CLUB

Code of Conduct

The Big Foot Wrestling Club is dedicated to teaching the fundamentals of wrestling and displaying good sportsmanship while promoting a competitive atmosphere. Participants will gain valuable experience wrestling opponents that they would not typically compete against until high school.

Wrestling

Wrestling is unique in that it is as much an individual sport as it is a team sport. We will work with each wrestler to teach them the basics of wrestling and help them develop advanced skills as they progress. We travel to tournaments together as a team and since there are no restrictions to the number of participants, everyone wrestles. Participation is crucial. We do not enforce attendance, but practice and competition are what will allow each wrestler to excel and develop a passion for the sport.

Disciplinary Policy

The Big Foot Wrestling Club will utilize the following three step disciplinary policy upon inappropriate behavior:

1. Upon the first instance of misbehavior, the wrestler will be asked to sit out the remainder of the practice/tournament.
2. Upon the second instance of misbehavior, the wrestler will be asked to leave the practice/tournament.
3. Upon the third instance of misbehavior, the wrestler will be asked to turn in his equipment and not return to the Club.

At any point during the disciplinary process, the parents/wrestler may request a meeting with the coaching staff to discuss the inappropriate behavior that led to their child's discipline. This meeting will not take place during regularly scheduled practice time.

I have read; I understand; and I agree to follow the Big Foot Wrestling Club *Code of Conduct*.
